Present at the meeting of the Carbondale  
Historical Society and Museum on 9/15/83:

1. Dorothy Essif
2. John V. Bulenick
3. Paul J. J.
4. Joseph Pascoe — <sup>nie</sup> June Hendrich — she  
caused quite a "stir"  
when she arrived.
5. June Burck —
6. Susan B. Stephens — she seems to be  
Carbondale's own  
Simone Signoret
7. Bob Tomaine
8. Robert Powell — a tan.

The main item on the agenda: the October 8 visit by the  
Chemung Historical Society to Carbondale; the November 5  
dinner (2nd annual) for the CHS + M; and the membership  
drive. The subject of where to have the dinner  
meeting was thrashed about. Sue Stephens wants to  
keep the meeting in Carbondale. Tomaine wants to hold  
it at Mountdale Country Club. Who will be the guest  
speaker — RJT will get Austin Burke, hopefully. I  
asked Joe Pascoe to take charge of getting plaques  
made up for Mason and John to be presented to them at  
the annual dinner. I "held forth" about the re-  
sponsible merchants and others who will not water  
their flower pots, and announced that next year  
the pots will all be in the Park where it is con-  
venient for me to water them. Kay Shufb appeared  
as the meeting began and gave me a check for  
\$1,049.62 from the Alfund Bicentennial Committee.  
What a welcomed addition to the treasury. The  
meeting was over about 9 P.M. and RJT and JVB and  
I went down to Muster Donut for refreshment. JVB  
announced that he had to leave (about 9:30 P.M.)  
and go over to Hendrick's to see his father, who  
is now working the 3:30 to 11 shift, and hates  
it. The whole family is made to "suffer" along  
with him — John had to go and visit with him.
